TR Pathshala is an initiative of dedicated community members who are committed to providing the younger generation a rich experience of our diverse Indian culture. The school provides our children various opportunities including how to read and write Indian languages, learn about our various religions, traditions and customs along with participating fun activities appropriate for each group.

Ocean of Love is a non-profit, charitable 501 (c)(3) organization dedicated to helping Ocean County children with cancer and their families. Our purpose is to assist the children through their illness. We provide financial and emotional support so that they can experience the "normal" joys of childhood, knowing their lives are significant and meaningful to each and every one of us.

The elderly often do not have family or friends living close by. Caregivers of Central Jersey fills in the gaps of those close ties. Our volunteers drive to doctor visits, go grocery shopping and provide respite to dementia Caregivers. In addition, we provide a vital link to the outside community offering hope and reducing loneliness through our Caregiver Canine Program, a Multicultural Outreach, and a Veteran to Veteran program.

What is the Color Mania 5k Run?

The concept of the event came from Holi the Festival of Colors which is celebrated in India. This has spread to multiple countries including North America. Toms River Pathshala is celebrating this event in the form of a 5K run where colors will be splashed on the participants during the race.

This is our Fifth Annual Charity Event. In past years, we have donated part of our proceeds to Make A Wish Foundation, Popcorn Park Animal Rescue and Sanctuary, Muscular Dystrophy, SSVT, USA and Ocean of Love. This year, proceeds will be given to Caregivers of Central Jersey, Ocean of Love, and Saheli 4 Toms River.

The event will take place on May 26, 2019 at Winding River Park. Participants can run or walk the 5K for a small fee.
