WELCOME

March 2, 2019

Welcome to our annual Public Service Awards and second food and wine tasting event, "A Taste of the Jersey Shore". We are very lucky and grateful to have Chef Mike cooking for us tonight. Thank you for joining us as we honor those who have helped us throughout the years. Without you and the people we honor tonight, we would not be able to continue helping our children and their families.

I would like to thank the Board, Staff and Volunteers of Ocean of Love for their tireless efforts on behalf of the children and their families. Ocean of Love would also like to thank the businesses and individuals who graciously donate funds, gifts and services year after year. We are forever grateful for your endless support, which allows us to continue our mission.

Congratulations and thank you to all of our recipients being honored this evening!

We hope that everyone has a wonderful evening tonight filled with delicious food, love, joy and hope!

Sincerely,

Theresa Segui, Director

CHEF MIKE JURUSZ

Chef Mike Jurusz a Brick native, started his culinary education in the Vocational program in high school. He attended Johnson and Wales University. His career as a young chef took him to 13 states in just a few years. From New York, to Oklahoma, to Arizona and out to Los Angeles; he studied under the best chefs in the country. However, he always felt a pull to come back home to Brick and the Jersey Shore.

He was chef and manager in restaurants in Secaucus and Bay Head. He helped start the Marlins Cafe in Point Pleasant Beach and eventually was hired as head chef at the Atlantic Bar and Grille. He was given the opportunity to design and open 709 on Arnold Avenue.

Shortly after Superstorm Sandy struck, leaving the northern barrier island in tatters, Chef Mike had the opportunity to purchase the Atlantic Bar and Grille. After much work, the restaurant became a hit, with familiar staff members, many of whom had been there for the better part of 15 years. Chef Mike has focused on providing a superior level of personal service. Owning the restaurant also serves as a homecoming, where friends from the area meet and old classmates stop in for a special oceanfront dinner.

PUBLIC SERVICE AWARDS – ORGANIZATION

Outreach Committee of Greenbriar

The Outreach Committee of Greenbriar Woodlands is a fundraising committee that does not collect dues. We are all volunteers who raise money through fundraisers and donations.

For the last ten years plus, we have donated to Ocean of Love the proceeds from our annual card party and 50/50. In 2018, with other fundraising activities and 50/50s we have donated to Caregivers of Central Jersey; Dottie's House; Ronald McDonald's House; Special Olympics; Girl Scout Campership; Hope Shed Light; Habitat for Humanity; American Cancer Society; The HOPE Center; Salvation Army; and Harbor House.

We collect food from our residents for distribution to two food pantries. We purchase Easter Baskets and school supplies for The HOPE Center, Lakewood Catholic Charities and the Salvation Army. We donate food cards for Thanksgiving to the HOPE Center and Lakewood Catholic Charities; and for Christmas Walmart gift cards.

We have an Angel Tree with gift tags from the Salvation Army for Christmas and our residents donate gifts which we deliver to the Salvation Army.

A group of ladies go to a local nursing home once a month to play bingo with the residents and give snacks and prizes.

We have a Community Assist program that does minor shopping and prescription pickup for those residents who are homebound.

When any resident passes, we make a $25.00 donation in their memory to a charity of their choice.

PUBLIC SERVICE AWARDS – Individual Award

Kaitlyn and Karen Szymanski

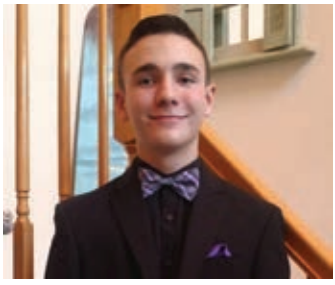
Kaitlyn Szymanski is a Phlebotomist at Community Medical Center. Karen Szymanski (mother of Kaitlyn, Stephen, and Sean) is the Controller for Johnson Baran. Both reside in Bayville, where they enjoy spending time with their fur babies and vacations in the Florida Keys.

Kaitlyn and Karen have personally been involved with Ocean of Love for the past five years, carrying on the tradition of Arthur Szymanski (father & husband). Arthur loved going to the Radiothon on the very last day and handing them his donation, it brought him so much joy knowing that even his small donation was going to help the lives of these children. So now, in memory of Arthur, the Szymanski Family holds a motorcycle ride and after-party with gift auction on the fourth Sunday of every September. Over half the money raised that day gets donated to Ocean of Love on the last day of the Radiothon! Coming up on their 6th year, they hope to keep this up for many years to come and donating even more money to Ocean of Love than the previous year!

From a very young age, the Szymanski children were taught to always give back, especially at Christmas (Arthur's favorite holiday!). Every year, Kaitlyn and Karen make up "goodie bags" filled with things they hope help the children of Ocean of Love go through a day of treatment with a little bit more enjoyment. In 2018, they added bicycles and other toys. Making children happy and Christmas is something the Szymanski Family plans on doing for a very long time!

Kaitlyn and Karen, along with their family, are more than happy (and honored) to do their small part and hope to do much more in the future with the amazing charity and group of people! The Szymanski Family is grateful to be a part of the Ocean of Love family, thank you!

PUBLIC SERVICE AWARDS – CHILDREN'S



MICHAEL ARDISE

Michael Ardise is a junior at Toms River High School North. He is involved in several different activities there. These include marching band and concert band where he plays the saxophone. He is in the military club, varsity boys bowling team, and lacrosse. In addition to these activities, he is an active member and leader in the Ocean County 4H. There he is president of the Udder Chaos Livestock Club and Vice President of Fine Feathered Friends Poultry Club.

Michael loves to serve the community. He often participates in community service projects that range from collections for the holidays, to planting dune grass, or visits to nursing homes. He became involved with the fight against cancer when he participated in Relay for Life in middle school and beyond. This has been an excellent experience. Michael found out about Ocean of Love two ways. One is that living across the street from Target, he always made a pit stop at the 105.7 The Hawk Billboard for Ocean of Love. Second, he really began to focus on helping when one of his friends was diagnosed with Leukemia and Ocean of Love jumped in and helped the family.

Michael wanted to help more than just the visit to the Billboard. He decided to get the Ocean County 4H involved in bringing a "petting zoo" to the event to attract people. The clubs ran small fundraisers while there, like "Chicken Poop Bingo." The next year he decided to get the clubs involved before the event and through his Udder Chaos club and others raised money throughout the year in creative ways. Finally, this year he kicked off the fundraiser at the Ocean County Fair and was able to get together 5 times the amount of money! He thanks all the 4H members that dedicated time and effort and passion to this. Next year he hopes to have the North Band involved along with growing donations from 4H!

Michael feels passionately about a wonderful organization like Ocean of Love that helps so many people right here in our very own community.

SCOTT CHINERY AWARD

Madeline Lopresto

Just a little story of my life. I'm 86 years young and live at an adult community in Toms River. I wanted to do something good with my life so I asked my supervisor at the Health Department if she could tell me how I could help someone and she recommended Ocean of Love and that was over 10 years ago and still going strong. I really have to thank all the homeowners at Holiday Heights for keeping this program going every year. Without them I don't think we could be so successful. Thank you.

Madeline has organized a holiday toy drive at Holiday Heights for 10 years. She has made sure that not one of our OOL children or their siblings went without a gift for the holidays.

Are you in crisis? Pull up a chair.
Let us show you just how much we care.
If you need our help we'll do our best.
To mend the heart inside your chest.
To ease the burdens of stress and bills.
And hold your hand through the pain they instill.
You are our family, and we look after our own.
The children, their siblings, now, and when grown.
So here is our shoulder and also our ears.
To listen to you and to soak up your tears.
Our arms will embrace you, like your hands in a glove.
We are all family here in Ocean Of Love.

By Michael Gillick

IN THE WORDS OF OUR FAMILIES

"Ocean of love is a wonderful organization. They have helped my family during the worst times in our lives. The staff is knowledgeable, experienced, caring, and hardworking. They wholeheartedly love the children and want to help the families as much as possible. They helped us financially and emotionally. The children loved attending events and we are so grateful to have a healthy "graduate" in our lives."

"I would tell them without a doubt I couldn't have gotten through my ordeal without them. They gave us hope, pointed us in the right direction and most of to let us know we are NOT alone. No one can fight cancer alone and Ocean of Love was a God sent to our family. They are now a part of my family forever….."

"Ocean of Love is a group of the most sincere, friendly people who will support and help you in any way possible. They talk with you and listen to any problems, especially in the toughest times. They are all irreplaceable and the best foundation to have as part of your network.
